

3C TO CODING SUCCESS

CRACK, CODE AND CONQUER

CHOOSE YOUR CHALLENGE

- Explorer: New to coding? Start here! Focus on logic, loops & clarity
- Builder: Comfortable with code? Tackle problems with structure & strategy
- Master: Confident coder? Bring on the algorithms, creativity & speed.

GET READY

Set up your tools ahead of time, and practice in a group or solo

ITS CODE TIME

Read carefully. Plan smart, Test edge cases, and Submit on time
